Creation Technologies Welcomes Andy Hyatt, Executive Vice President - Business Development

Vancouver, BC – March 3, 2010 - Creation Technologies, a global Top-50 Electronics Manufacturing Services (EMS) provider and expert in providing full service solutions for companies requiring complex electronic products, today announced that Andy Hyatt has joined their Executive Leadership Team as Executive Vice President - Business Development.

“We are delighted to be welcoming Andy into the Creation family,” said Arthur Tymos, President & Chief Executive Officer of Creation Technologies. “We believe that Andy’s experience, personality and enthusiasm are a great match for Creation.”

“Andy has significant success in developing strong business relationships in the electronics industry. The addition of Andy’s expertise and insight to our team will bring tremendous value to Creation and to our customers as we continue to expand our regional and Right-Shore solutions,” Tymos concluded.

As Executive Vice President – Business Development, Andy will be responsible for the strategy and realization of new customer acquisition and business growth for Creation. Andy comes to Creation with 20 years of EMS experience, having held leadership roles in Operations, Program Management and Business Development with Tier 1, 2 and 3 EMS providers. He holds a Bachelor’s Degree in Business & Economics from George Fox University and an MBA from Portland State University.

“I have always been impressed with Creation’s unique culture, effective regional Business Unit strategy, and its two decades of proven performance in this exciting industry,” said Andy Hyatt. “Having competed with Creation over the years, I hold a great deal of respect for its customer service and strong execution of its business model, as well as the great people that set the company apart. I am thrilled to be a part of Creation’s ongoing success.”
