

Dear Valued Supplier,

To achieve global and standardized method of communication with our Suppliers, Creation Technologies is launching a Supplier landing page on the Creation Technologies website (www.creationtech.com), it will be available on Nov 1st. Whether your company is a new supplier to Creation Technologies, or a long-standing partner, you will find a set of downloadable documents will help you in better understanding Creations needs and expectations.

In Creation's supplier Website you will find the latest documentation on:

- NDA**
- Supplier Quality Requirements**
- Supplier Code of Conduct**
- Supplier Questionnaire**
- Supplier Audit sheet**
- Supplier Audit Assessment**
- Audit Process documentation**
- PCN requirements**

We have also included a supplier toolbox with documents to further assist our suppliers in completing Supplier Corrective Actions, 8D trainings, Root Cause Analysis and others.

Creation is committed to continue to invest on our Supplier Partnerships and to drive best in class customer solutions, I would like to encourage your to get in touch with the Supply Chain & Supplier Quality Organizations to learn more about how to continue to expand our business relationship.

Thank you,

Rene Rodriguez
