Creation Technologies Supplier Communication

SUBJECT: An Update from Creation Technologies
DATE: Thurs. 9/9

Dear [Supplier],

I am pleased to announce that Creation has acquired Computrol, Inc., an EMS company with aligned capabilities and similar focus on medium volume/high reliability customers in aerospace and defense, medical, and tech industrial markets. This acquisition will add resources to expand our presence into the Mountain West Region with seven SMT lines and over 100,000 square feet of combined facility space in locations in Meridian, Idaho and Westminster, Colorado.

If you would like to discuss these new capabilities or have any questions about this change or any other aspect of our business, please reach out to your supply chain contact.

We thank you for your commitment to Creation Technologies and look forward to our continued partnership.

Warm regards,

Stephen P. DeFalco
Chairman and CEO
Creation Technologies
